

THE CWSA IS NOW ACCEPTING REGISTRATION BY  
**FAX & EMAIL**

The CWSA Office will accept your registration form by fax and email if you meet the following criteria:

- You are a current player in the CWSA returning to the same team that you most recently played with (your player card must have the same team name as your registration form)
- Your player information including player ID number is clearly printed in the space provided – We will only accept faxed or scanned copies of our ORIGINAL CWSA registration forms where the player's SIGNATURE on the indemnification is clearly visible; modified versions of these forms will NOT be accepted
- The form is submitted 24 hours in advance of the time you would like to be registered for (48 hrs if submitted on a Saturday or Sunday)
- It will be your responsibility to ensure that your name is showing on the website under your team's roster prior to playing in your first game. This is the only confirmation you will receive that your registration form has been processed successfully. If your name is not on the roster, you cannot play.
- As a coach your CPIC (Police Check) is current – Filed within the last two (2) years

Unfortunately you **DO NOT MEET THE CRITERIA** if:

- You are a NEW player to the CWSA
- You are CHANGING teams from your last registered team or if you are changing the name that appears on your player's card i.e.: maiden name to married name.
- You have any outstanding FINES or are BLOCKED from registering
- As a coach your CPIC (Police Check) is expired – Older than two (2) years
- If any of these apply to you, you must come to the office in person during regular office hours

We are happy to offer this new service and understand you may still have questions regarding how this works. Please feel free to contact the office during regular office hours to have any of these questions answered! Please remember that Indoor player registration does not begin until September 21, 2009. Any forms received before this date will be disregarded.
