U10 Summer Schedule Details

This program is for soccer players born between 1999 to 2001 who are eager to learn skills and play games in a fun skills development environment.

The U10 Developmental will run from July 15th to Aug. 19th, 2009.

The sessions will run Monday and Wednesday evenings from 6:00 to 7:30pm.

Sessions will focus on individual skills development and the players will be put on teams later in the program with a game session each week on top of the two training sessions.

This program has been in place for the last four summers and the numbers have been growing and the Renegades teams coming out of this program have flourished.

Under the supervision of Ado Sarcevic, Renegades Technical Director, these sessions will be run by Samantha Vockeroth, Captain of the Red Deer College Team and Major league player, and Craig Fullarton, a former Red Deer College and Major League Player and Assistant Coach at Red Deer College.

Message from the Technical Director

Ado Sarcevic
Renegades
Technical Director

"Our U10 development program stresses technical ability over scores and tactics. Our aim is to individually teach all the players the skills to play the game at the highest level."

Ado Sarcevic is the Renegades Technical Director and the U10 Program Technical Director.

Ado is a former Yugoslavia Under 21 National Team Member and a NCCP licensed coach.
