

Members:

The Georgetown Baseball Association Executive hopes you have enjoyed your season of baseball, even though Mother Nature did not help this season with her constant rain.

The Executive is actively looking into the 2010 season and we have a desperate plea for all of you.

The GBA has 500 members, this season we only had seven board members and we usually have nine. We only had one convener step up to cover the mosquito division and we usually have seven different conveners to help keep each division organized.

We cannot function with this few volunteers. The house league division of our organization had only 2 people representing them on the board and two members in appointed positions such as picture day, reporting.

Each of the board members took on many tasks over and above their elected position in order to help the season run more smoothly. This in turn made for an extremely busy summer for these individuals.

Many hands make for lighter work. We have several board members who are choosing to move on this year which puts the league at risk. We are one of the few leagues in central Ontario still thriving and we would like to keep it this way.

Last year at our Annual General meeting we had out of a possible thousand people who are eligible to vote a total of twelve people show up including the board.

This is your league and it is only as strong as the people who run it so please consider donating your time and becoming a part of the Board or volunteering in a supporting role.

Please keep an eye on the website www.georgetownbaseball.ca and your e-mail for the date and time of the AGM and please make a point of coming out and supporting your league.

This is for our kids!!!

Thank you for your support.

Yours in baseball,

Executive Board

Georgetown Baseball Association
