HOCKEY CALGARY

The Hockey Calgary week long Camps are skills oriented camps that focus on player development in a fun, interactive environment. Each player will receive two on ice sessions and two off ice sessions daily. The on ice sessions will focus on skating, edge control, puck handling, passing and shooting techniques. The camp will also incorporate a variety of small area games to increase player's skills and abilities in a variety of skill sets and situations. The off ice sessions will focus on a variety of topics including team work, respect, off ice conditioning, stretching and goal setting. Each off ice session will be tailored towards the player's respective age group. On July 24th, the players final session will be a game where the players are given the opportunity to show case their improvements from the week.

Highly qualified instructors will instruct Hockey Calgary's day and week camps. Each instructor will have several years experience in coaching and instructing hockey. The summer camps will provide a low player to instructor ratio, resulting in the best instruction possible for your son or daughter.

The Timbits Camp is for kids playing in the Timbits age category (birth years 2003 & 2004) for the 2009-2010 season. The Pee Wee Camp is for kids playing in the Pee Wee Age Category (birth years 1997 & 1998) for the 2009-2010 season.

Space is limited in both camps and registrations will be first come first served. Registrations will not be accepted and or processed until payment is received and the appropriate registration form is completed in full. To register your child for a Hockey Calgary day camp, fill out the registration form attached to the back of this package and either mail or drop it off at the Hockey Calgary office. It is essential that the registration forms are completed in full. Each participant who partakes in a Hockey Calgary Day Camp will receive a Hockey Calgary Practice Jersey.

Please note that pictures and or interviews may be taken during the camp and used for the exclusive promotional purposes of Hockey Calgary. Player's pictures may be posted in newsletters, newspapers, and on websites and T.V.
