

Girls Hockey Calgary

November 3, 2008

Girls Hockey Calgary is pleased to announce that it has been awarded the inaugural National Midget AAA Girls Hockey Championship Tournament by Hockey Canada. An official announcement by Hockey Canada will occur within the next few weeks pending certain items to be finalized prior to the official release. GHC will work together with our partners Hockey Canada, Hockey Alberta, Hockey Calgary and our main event partner Tourism Calgary to bring the best championship to our city.

The tournament will commence on April 19 and include a host team (being one of GHC's Midget AAA teams) and champions from Pacific, Western, Central (Ontario), Quebec and Atlantic regions of the country. The championship final will be televised live on TSN at 3 pm local time on April 25. This tournament will be similar to the Telus Cup boys Midget AAA national championship.

GHC is extremely excited and honored to have been awarded this tournament and we invite the membership to come get involved. If you are interested in volunteering, please contact the Girls Hockey Office (ghockey@allstream.net).

All the best;
