

Oak Ridges Soccer Club

January 14, 2008

Dear Potential Sponsor,

The Oak Ridges Soccer Club is canvassing local businesses in an effort to attract sponsors for the 2008 season.

We are a non-profit organization whose main objectives are to provide a positive environment for children to play soccer, both recreational and competitive.

In doing so, we also promote team spirit, try to motivate healthy activity, and of course, give the children a place to have fun while playing a sport they enjoy.

In our fourth season as a Club, we anticipate close to **1300 players** registering. It seems incredible that in 2005 we started with only one team (18 players)!

We are proud to say that over **90% of our 850+ registered players in 2007 are residents of Oak Ridges**. Since our members are predominantly from the same community, we feel *'local'* businesses will benefit most from being associated to the Club,

In a very short time, the Oak Ridges Soccer Club has been able to become a visible part of the Oak Ridges Community. Our Club office is an example. We are located in the heart of town! Our website is another. It is being visited regularly as we update it. We are now entrenched in the community as one of its largest groups!

We hope that you will consider becoming one of our partners by sponsoring a team(s), division or the Club in general. Your sponsorship will go towards new skill development programs, better equipment and better facilities. It will also **make your business more visible in the community**.

If you are interested, please complete the form accompanying this letter and forward it to the Club address with the appropriate payment. Once payment has been received, a copy of the same form with validation will be returned to you as a receipt. If you have any questions or inquiries, please call **905 313 8920** or email **sam@oakridgessoccer.com**.

Best Regards,

Sam Foti
