

Pickering Soccer Club and Boston Pizza

To assist the Club in raising funds for youth soccer in Pickering the Pickering Soccer Club in conjunction with the Boston Pizza (1899 Brock Rd, Pickering) is participating in Boston Pizza's Loyalty program.

Through the loyalty program, Pickering's Boston Pizza will donate to the Club 10% of its receipts generated from the food portion ordered by players, family members and friends of the Pickering Soccer Club.

How it works is easy. Just drop off your meal receipt in the "Pickering Soccer Club" Box (located at the front door). At the end of the soccer season, Boston Pizza will total the receipts and issue a cheque to the Pickering Soccer Club for 10 % of the pre-tax food sales.

This offer is not limited to members of the Pickering Soccer Club. Anyone who supports soccer can donate their receipt to the box.

Partnerships with local businesses like Boston Pizza have long played a critical role in supporting grass-roots soccer. As non-profit organization we are always looking at ways that allow us to meet the needs of today's youth while balancing the costs associated with running first-rate soccer programs.

The success of this fundraiser depends on your participation, so we would like to encourage your team/player to participate as well as invite you family and friends to visit the Pickering Boston Pizza and show your "receipt" support.
