Buy A Brick Program

Wall of Fame

$100 per Brick

Your Chance to own a piece of history!

We are offering our community the opportunity to "Buy A Brick" to assist us in the completion of the Mel Mitchell Field House project. There will be 400 bricks made available at a cost of $100 each. For your generous donation your name will be immortalized on our "Wall of Fame" where future generations of young players will be able to appreciate your contribution. There will also be special plaques available for $1,000 and $5,000 donations. In addition you will receive a tax receipt from the Town of New Tecumseth for the entire amount of your contribution.

Please make cheques payable to the Town of New Tecumseth
