

The City of Shaker Heights and
The Shaker Youth Hockey Association

PRE-REGISTRATION MATERIALS FOR 2009-2010 SEASON

IMPORTANT – DATED MATERIAL

Please Read Carefully
*This Information Requires **Immediate** Action*

Due Date: Sunday, May 24, 2009

In conjunction with the Shaker Youth Hockey Association (SYHA), The City of Shaker Heights is holding a pre-registration for the upcoming 2009– 2010. Fall/Winter Youth Hockey Season. The purpose of the pre-registration is twofold:

1. To assess participation. In order to plan for the upcoming season.
2. Collect family (SYHA) membership fees for the upcoming season.

The enclosed pre-registration form must be filled out for **each child** participating in the youth hockey program, so please make additional copies of this form as needed.

To pay by check or cash (**please no credit cards**) please fill out the pre-registration form and drop off or mail to Thornton Park, attn. Caleb Wyse. Registration forms are available at Thornton Park or may be downloaded from our website; www.shakerhockey.com

Pre-Registration

In order that all teams get a sufficient amount of practice/game ice time, there is a limit to the total number of teams and the total number of players on a team.* Based upon last season's participation it may become necessary to close registration at several levels to *new* members.

Important: If you do not pre-register your player they will lose their priority in the program. This may result in your child not being able to play on a Shaker team during the 2009-2010 season.

To ensure you receive the early pre-registration fee, your pre-registration must be turned in to the hockey office located at Thornton Park before 10PM on Sunday night May 24, 2009.

*The City of Shaker Heights through the Shaker Youth Hockey Coordinator (Caleb S. Wyse) reserves the right to make decisions that affect team size but also contribute to the best interests of the program and the individual player.

Registration Packages: Pre-registered participants will receive a full-registration package from The City of Shaker Heights in the mail prior to the end of June 15, 2009.

2009–10 Tryouts:

Tryouts for Peewee and Bantam are May 12, 15-17, 2009. The times are listed on our website www.shakerhockey.com. There is an additional charge for the tryouts to pay for the extra ice time needed. Peewee and Bantam teams will have practice during the Mite and Squirt tryouts in August. The tryout fee is separate from the City of Shaker Heights Fall/Winter registration fee. Tryout fees do not count towards your City of Shaker Heights Fall/Winter registration fee.

Tryouts for Mites and Squirts will begin Saturday, August 22, 2009. Tryouts will consist of at least four (4) sessions per age group. Tryout schedules will be available at Thornton Park on Saturday July 21, 2008. If you know your skater will miss any of the tryouts, please follow the instructions in our Missed Tryout Policy found at www.shakerhockey.com

Team Size and Selection: Teams are picked by ability levels and this is a factor in team size. We will attempt to avoid a large range of ability on a team in order to better develop team and individual skills.

Number of Teams: If all of last year's members return we will have;

- 2 Bantam teams
- 3 Peewee teams
- 3 Squirt teams
- 3 Mite teams

CSHL League Play: Some players may not make a CSHL travel team, depending on the number of returning players, players new to the game and skill levels. We are starting a new in house program called Team Shaker to accommodate new players and those that do not make a CSHL travel team. This in house league will allow time for better skill development. Team Shaker will practice regularly and play games against other in-house programs. Team Shaker will have fewer games and less travel than the CSHL league teams. See Team Shaker information sheet available at Thornton Park or check out www.shakerhockey.com for more details.

SYHA Membership Fees

The Shaker Youth Hockey Association is a community organization that works in conjunction with The City of Shaker Heights to provide the best possible ice hockey experience for your player. Your membership fees provide financial support for tournament play, goalie equipment, helmets, coaching, additional ice time slots for practice and games and administrative support. **The SYHA assesses an annual family membership fee for pre-registered and new players of \$105 for early registration. All registrations turned in after May 24, 2009 will have a membership fee of \$115.**

Please include your payment made **payable to Shaker Youth Hockey Association** along with your pre-registration.

Chris Vlasich is the president of Shaker Youth Hockey Association.

Pre-Registration Questions

Please refer all questions relating to pre-registration or youth hockey to Caleb S. Wyse, City of Shaker Heights Youth Hockey Coordinator at (216) 491-2581.
